CERTIFICATIONS

CONTRACT VEHICLES

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY (EPA)

- ✓ **U.S. Environmental Protection Agency** — JLAN currently supports the Office of Small and Disadvantaged Business Utilization (OSDBU) in administering the agency's Small Business Programs. This includes analyzing acquisition data and proposed acquisitions to recommend strategies to OSDBU for maximizing small business contracting opportunities as well as developing and designing EPA-specific small business manuals and guides.

FEDERAL AVIATION ADMINISTRATION (FAA)

- ✓ **Federal Aviation Administration** — JLAN provides Federal acquisition professionals with customized training solutions to develop and enhance the contracting, program management, and critical thinking knowledge and skills required to successfully facilitate large and complex acquisitions.
- ✓ **FAA - Acquisition Career Management Group** — JLAN provides program and project management, strategic planning, and financial management of pre- and post-acquisition, administrative, business analysis, and program analyst support activities for ACM. In addition, JLAN provides software development services with a specific expertise in SharePoint design and development.
- ✓ **FAA - Acquisition Training Branch** — JLAN provides training and development services, such as curriculum and course development, competency development and mapping, budgeting, logistics, evaluation, and reporting in support of the development of the Acquisition Workforce.
- ✓ **FAA - Data Management Program Office** — JLAN provides systems engineering and project management support, offering technical engineering expertise and assistance for the implementation, integration, and transition of National Air Space (NAS) modernization systems, components, and equipment.
- ✓ **FAA - Commercial Space Integration** — JLAN provides executive assistance in the areas of Program Management Support, Office Management Business Support, Technical Support, and Financial Analysis.

DC DEPARTMENT OF GENERAL SERVICES (DGS)

- ✓ **DC Department of General Services** — JLAN provided mission-critical Strategic Management support. Under this contract, JLAN supported the DGS Office of the Director in planning and implementing organizational change, establishing a performance management system, conducting strategic planning, and providing leadership development training, in addition to personnel support services, reporting, and data analysis.

COURT SERVICES AND OFFENDER SUPERVISION AGENCY (CSOSA)

- ✓ **Court Services and Offender Supervision Agency** — JLAN developed and delivered strategic and tactical planning training for CSOSA's Senior Executive Leadership Team (SELT). SELT is responsible for overseeing the agency's public safety role of community supervision of over 15,000 men and women annually as well as management of almost 900 Federal employees.

DC DEPARTMENT OF PARKS AND RECREATION (DPR)

- ✓ **DC Department of Parks and Recreation** — JLAN implemented the "Troop for Fitness" initiative hiring veterans to teach a variety of fitness classes for veterans. The program serves the Washington, D.C., community by providing veterans with fitness and health employment opportunities.
